## Hydroponic Tray Advantages

---

- Various sizes are available, and support customization
- The special rib design makes hydroponic tray load better and stronger
- Virgin HIPS and ABS plastic material, more durable than trays made from recycled material
- Multiple drainage positions provides more setting choice
- Rounded corners and smooth inner wall, easy to flow and clean

## Hydroponic Tray Manufacturing

---

[china white grow trays wholesale](#) wholesale the hydroponic trays made from virgin Thermoplastic ABS or HIPS, by vacuum forming processing.

From 3D drawing design, Mold carving, Plastic sheet extrusion, Vacuum Forming, Trimming, Drilling, to Packing, all processes are produced in our own factory. So, we are price terminator (the most competitive price in China).
