4'x6'	1220x1830x160mm	1130x1740x150mm	HIPS/ABS
4'x8'	1220x2440x160mm	1130x2350x150mm	HIPS/ABS

- \* MOQ 20pcs, less than that may be not worthwhile to import from China
- \* The standard color of hydroponic tray is white and black, QTY ≥200pcs can do custom colors
- \* Above just existing molds list, other sizes such as 2'x8' 3'x3' 5'x8' 5'x10' etc can make molds, molds cost can be consulted
- \* For more plastic hydroponic trays, please click [china plastic hydroponic trays manufacturers](#)

**Hydroponic Tray Advantages**

- 
- Various sizes are available, and support customization
  - The special rib design makes hydroponic tray load better and stronger
  - Virgin HIPS and ABS plastic material, more durable than trays made from recycled material
  - Multiple drainage positions provides more setting choice
  - Rounded corners and smooth inner wall, easy to flow and clean

## Hydroponic Tray Manufacturing

---

Hydroponic trays are manufactured from Thermoplastic ABS or HIPS sheet, by vacuum forming processing.

From 3D drawing design, Mold carving, Plastic sheet extrusion, Vacuum Forming, Trimming, Drilling, to Packing, all processes are produced in our own factory. Any requirements of the grow trays, please contact [china large hydroponic trays suppliers](#) freely.
